## September Meeting will be back at JJ's

The Thursday September 13, meeting, as well as the rest of our winter meetings, will be held at JJ's. Come early and eat because they have great food. Also bring lots of show and tell because they have plenty of room. Again we thank Tim Faust, bar manager, for arranging for us to use their facilities for our winter meetings.

## August Minutes - By Le Roy Stuczynski

Le Roy gave a Treasurer's report and July minutes were approved as printed in the newsletter.

Harley announced that the October MARCS meeting will feature a great guest speaker who has over 16,000 hours flying time. Attend the meeting to find out who the pilot is.

It was mentioned that a Screamin' Eagles member complained about our decision to increase our event landing fee to \$10. Discussion concluded it was voted on by the attending membership and the motion was passed and further discussion could have been made had the person been at the meeting. The same person indicated we could make more money if we would "flip our own burgers." The consensus was that the minimal profit increase, if any, would not be worth the extra work by the Eagles.

Le Roy thanked Wayne Lanphear for taking event pictures this year. Le Roy has yet to file the IMAA report but will do so in soon. It was mentioned we need to do a better job of advertising our event next year to increase the flyer and spectator attendance.

We decided the September meeting should be held at JJ's. Le Roy will contact JJ's to determine if this is OK.

Discussion about the P-51 accident at AirVenture 2007 took place then Le Roy reminded everyone about the LARCC 15<sup>th</sup> annual Fly In on September 9, 2007.

**H**i Eagles. I just got back from CD'ing the LARCC 15<sup>th</sup> annual Fun Fly at the Quarry field in Lodi. What a great day and turnout. We had 34 registered pilots and tons of spectators. I remember when the Screamin' Eagles used to have in excess of 30 registered pilots. We definitely need to do something to build attendance again. There were several Eagles at the event including Chuck Backman, Mark Johnson, Aron Kershaw, Dick Buescher, Ray Walsh, Bill Disch, Doug Yaroch, Brad Witt, Joel Wytttenbach, and of course me. If you have never attended the event do so because it's awesome. Brad took some pictures but I will have room only a few because this newsletter is short this month. One thing I did accomplish this month was sending the IMAA report of our June event so watch for it in High Flight. Thanks again to Wayne Lanphear for taking pictures this year!

Ray Walsh flew his Concepts Models Fleet Bi-plane. This airplane is kitted by Romey Bukolt of the MARCS Club.

Chuck Backman flew a Hurricane and a Cub Special PA-11 which was modeled after Dick Knutson's restored airplane. Chuch first flew the model at the Lodi airport in 1989 as a tribute to Dick's full size restoration done at the Lodi airport.

Doug Yaroch was there with his Spacewalker to do a couple of candy drops. Doug also flew two of his Carden Big Birds.
