## September Luncheon Meeting will be at JJ's Top of the Swamp

The Thursday September 10, 2009 meeting will be held at JJ's. Please note, **this will be a luncheon meeting**. We will gather about 11:30, eat, and hold a business meeting. JJ's has great food so come to eat. Also bring lots of show and tell because they have a lot of room for our models. We haven't met for a couple of months so please bring thoughts and ideas for the future direction of the club.

Sun Prairie, WI 53590 (608) 837-3498

Hours 8 – 5 P.M. Mon. – Fri.

## June Minutes - By Le Roy Stuczynski

The June meeting was held at the MARCS airfield. President Brad Witt called the meeting to order. The Treasurer's Report was presented by Le Roy. Our financial status is the same as last month less 3 stamps.

**Old Business:** The informal non sanctioned fun fly will take place at the MARCS field on June 14. Come if you wish and fly.

**New Business:** None.

**4417 Maryland Drive**  
**Madison, WI 53704**

**Trez/Ed Sez** – *By Le Roy Stuczynski*

**H**i Eagles. Can you believe that summer is over? It's been a very busy one for my wife and me. We spent some time with our son and his soon to be wife Erin at their Allen, TX home. We had a great time. We attended Dick and Sally Buescher's son Dustin's wedding near Charleston SC. I attended EAA Air Venture for my usual 10 days of volunteering at Warbirds. I then came home and worked feverously to get our boat, which I haven't used for 3 years, ready for a week at our son Jason and fiancé Erin's August 8<sup>th</sup> wedding at Lake Powers near Lake Geneva for a week long Polish wedding. It was a great week! I then began helping a friend prepare his boat for the bone yard due to a rotting transom. This involved cleaning up the 70hp Johnson and preparing and repainting the areas of the motor which were in bad cosmetic shape from years in the water. The engine is in fine shape otherwise and now looks great and we plan on selling it as a package as is or just the engine and controls. If you know of anyone who might be interested please let me know. Lastly I am helping a neighbor build a shed but on Sunday September 6 I was able to sneak in a trip to Romeoville, IL to help out at our Warbird Squadron 4 sponsoring of the EAA B-17 "Aluminum Overcast" stop as a squadron fundraiser. Tomorrow, Labor Day, I will again help out with the neighbor's shed project.

I've got tons of neat pictures from the 2009 EAA event which I will share with you in the future but I just don't have time to include them in this issue.

Don't forget the **Lodi Area Radio Control Club, LARCC, 17<sup>th</sup> Annual Fun Fly** on September 13 at their Quarry Field outside of Lodi. It's always a great time and they have a great raffle. For more information check out their website at [www.larcc.com](http://www.larcc.com). I am the Contest Director for the event so, guess what, just one more thing I got my hands in. This re-retirement is great because I have never been having a greater time.

See you all at the JJ's luncheon meeting on Thursday September 10.
