October Meeting will be at JJ's

The Thursday October 11 meeting, as well as the rest of our winter meetings, will be held at JJ's. Come early and eat because they have great food. Also bring lots of show and tell because they have plenty of room. Again we thank Tim Faust, bar manager, for arranging for us to use their facilities for our winter meetings.

September Minutes - By Richard Cohoon

President Bill Disch called the September meeting to order. The Secretary's report was accepted as printed in the newsletter. The Treasurers report was given by Le Roy and accepted as presented.

Old Business: There was no old business discussion

New Business: There was no official new business discussion. There were unofficial discussions about the annual fly-in. Discussions included s the date, and possibly changing or updating the flyer. It was recommended that date choices be published in the newsletter for members comments.

Show and Tell: While not officially a show and tell item, Harold Blossom presented his surprise raffle item he earlier announced would be raffled at an unannounced date. It was a great foam carving of a frustrated model aviator searching for a model in the rough. The lucky winner was Charlie Schultz. Unfortunately Le Roy had camera problems so we are no able to show this great creation. Sorry Harold.

Trez/Ed Sez – *By Le Roy Stuczynski`*

Hi Eagles. Well another month has gone by and it's getting close to the end of another flying season unless, of course, you are a winter flyer. As you can see this is another short newsletter because I think I am just plain burned out. I don't even have the enthusiasm to look for articles to fill the pages anymore. I don't know if what I include interests the membership because I rarely hear any comments about the newsletter and until Brad Witt joined the Eagles I rarely had any help in contributions to the newsletter content. I think it's time to take a look at what the newsletter really is all about. In my opinion it has become only a monthly meeting and location announcement. I think we need to take a hard look at the newsletter's future and where it goes from here. Unless something changes I am announcing that the December newsletter will be my last as Editor of "Eagle Screams".

I have been doing the newsletter since January 2000 and, while I am not looking for praise about the job I've done, I am looking for contributions and member comments as to what they want the newsletter to be. In looking at the newsletter archives, it's embarrassing to discuss the number of times I have begged for member input, to no avail! Is this what a club newsletter is all about? If you want a meeting announcement each month I can provide that with little effort and without the hours of creating a monthly newsletter that interests few. I don't know if that statement is true because it is only my assumption. However, what else can one conclude if I don't hear from the members or if I continue to receive no input. I can't tell you how great it was to do the newsletter the month's Brad Witt provided his input.

I don't remember if I told you that I submitted our Chapter 395 report to IMAA but it has been submitted and you should be watching for our display in a future issue of High Flight.

Lastly I was asked to solicit member input as to what date we should sanction our 2008 event on. We decided on June for the event month but the Saturday choices are June 7, 14, and 21. Please email me about pros or cons of either of the dates or bring your input to the October meeting for discussion because we need to get our sanction in soon.

See you at JJ's *Le Roy*
